Sad News

Our good friend and Advisory Director from Grimes County, James "Jimmy" Willhite, passed away peacefully on Friday, March 20, 2008 at his ranch in Plantersville.

Jimmy was a devoted husband, son, step-father, and brother. A loyal friend to many, He is survived by his wife, Heidi Willhite.

Jimmy was a man of incredible heart and soul, with generosity of spirit evident in the manner in which he lived his life. A gifted guitarist, he enjoyed hunting, was an excellent marksman, and a talented and accomplished businessman. Involved in numerous civic minded causes, Jimmy was an advocate for law enforcement officers.

President's Corner: A Few Words From Tom Pizzo

I would like to share a little bit about myself with you so you know who your new 100 Club President is and about his plans for the Club. I grew up in Harris County and have never left. My wife of 43 years, Regina, and I live in West Houston. I have been a Director of the Club since 1995. Personally, I am retired after a successful career owning an advertising company.

During my term as your President, I am asking all 100 Club members to help with continuing the growth of our Club. If each member went out and recruited only one (1) new 100 Club member, we would instantly double the size of our organization.

Please use this newsletter as a way to tell a friend or neighbor about The 100 Club and ask them to fill out the application on the back page and become a 100 Club member. For those of you who would like to recruit more than one member, please call The 100 Club office at (713) 952-0100 and ask that additional applications be sent to you or you can download one directly from our web site: www.the100club.org.

Many of you know that we support the law enforcement and firefighting communities in 18 counties surrounding Houston. Additionally, we provide line of duty death assistance to dependants of the Texas De-

partment of Public Safety, Texas Parks & Wildlife Department, Texas Alcoholic & Beverage Commission and Institutional personnel of the Texas Department of Criminal Justice killed in the line of duty anywhere in the State of Texas.

To date, your 100 Club has provided over \$12 million dollars to the dependants of those Heroes who have died in the line of duty. Additionally, over \$10.4 million dollars has been given to law enforcement agencies in the form of officer safety equipment.

Our scholarship program has provided 466 college degrees, at three area universities, to law enforcement officers. The 100 Club has provided \$4.3 million dollars in scholarship funds. Your 100 Club has given over \$27.8 million dollars to the law enforcement and firefighting professions in support of our programs.

Your help in recruiting only one (1) new member will go a long way in making our support of those who constantly protect us become even larger.

"In Their Own Words"

by Amanda Wass

April 9, 2008

My husband, Deputy Donald Wass, was killed two years ago on my daughter's fourth birthday. I lost my advisor, my best friend and my husband in one fatal sweep. The period following his death is somewhat of a blurred memory. During the day, I tried to be brave and cheerful for my daughter, Jolie. Nighttime was filled with tears, grief and worry.

Police officers are not well-paid, particularly in rural jurisdictions. Even with my work and Don's many part time jobs, our budget was limited. We had minimal savings and insufficient life insurance. I had no idea how I was going to take care of my daughter on my own.

Then I received a visit from Rick Hartley from The 100 Club. When he explained how they planned to help me financially, I was speechless. I felt such a relief, like a burden had been lifted from my shoulders. The 100 Club not only helped me with immediate debts but also offered commitments to assure Jolie's future. Additionally, they helped me return to school.

Without The 100 Club, I fear I would be working many jobs just to survive, while others would raise my daughter. Because of The 100 Club and all who contribute, I am able to focus on the most important aspect of my life, being Jolie's mom.

THANK YOU to the members, contributors and all involved with The 100 Club! I will never be able to fully express my gratitude for the generosity and support that I continue to receive.

Amanda Wass

Washington County Sheriff's Deputy Donald Wass, 35, was killed Sunday Morning, April 23, 2006 in a traffic accident, on Highway 36, south of Brenham, Texas. Deputy Wass is survived by his wife, Mandy, and his daughter, Jolie, who turned 4 years old the day he died.

The 100 Club Welcomes Two New Directors

Don Woo, a graduate of the University of Houston with a Bachelor of Civil Engineering Technology, went on to join Mission Construction in 1978. With his 30 years of experience with the firm, he is the principal-in-charge and directs the general management and operations.

He is active in numerous local service and social organizations and sits on the Board for various organizations. Don is married.

Kenneth E. Moore, 62, a native Texan, currently serves as President of Ken Moore Insurance Agency, Inc.

After serving in the U.S. Army, as a Military Police office in both Ft. Riley, Kansas and in Vietnam, he began his professional career with the Department of Public Safety as a State Trooper and eventually as a Narcotics Sergeant.

He also worked for many years as President of Citywide Insurance Agency and as an Agent of Record for the Houston Police Officers Association. He is active in numerous local service and social organizations. Ken is married and has three children and two grandchildren.
