## “In Their Own Words”

by Becky Pellizzari, family friend of Lynetta Slaton and Texas Department of Public Safety Trooper David Slaton

September 20, 2011

I just wanted to send a quick note to say one year ago today we were “introduced to The 100 Club” and in a nutshell you guys are A-W-E-S-O-M-E!

This day one year ago there is so much that is a blur, but certain things are vividly burned into my memory and one of them was when my husband, John, told me that he received notice that there would be two men coming to Lynetta’s house that afternoon; they would only be there for five to ten minutes and would be delivering a check for \$10,000.00. They showed up, did as they said, and were gone again... for a short while. About two weeks later, when things began to calm down, they showed up again. The 100 Club representatives sat down at the table and talked with us. To sum up my feelings, I will say they were guardian angels for [survivors] Bo and Lynetta. It also helped bring peace of mind to John and me knowing that such an organization was there, not only at the time of the accident, but long afterward as well. We sing The 100 Club’s praises to everyone we meet.

God Bless you all and keep up the good work!  
Becky Pellizzari

## “In Their Own Words”

by 100 Club Member, Ellen Moore, Houston Texas

In October, 2009, in midafternoon on a Wednesday, my car was rear-ended by a much heavier vehicle speeding on the West Loop. The impact of that collision knocked my car into the cab and box of an 18-wheeler travelling some 55 mph in a parallel lane. For one very clear, long moment, I believed I was going to die.

Fortunately, I was able to avoid being pulled under the trailer. When my car, now in pieces, finally stopped, I sat in it, dazed, badly frightened, wondering what to do. Then I heard a siren. It was the most beautiful sound in the world! The concerned faces of those first responders (the Houston Fire Department) are etched in my memory.

A lot of things changed for me in the eight minutes from first impact to arrival of that fire truck. One was the decision to elevate our membership in the 100 Club from Annual to Lifetime. We all know what first responders do. But it’s all theoretical until it’s you. God bless every first responder, everywhere!

## One Lost Hero

Officer Kevin Will, 38, died in the line of duty on Sunday morning, May 29, 2011, while working a hit-and-run motorcycle accident on 610 North Loop near Yale.

He was hit by a driver who ignored the flashing lights of patrol cars, steered his car around a makeshift barrier set up to block the freeway, and slammed into Will, killing him at the scene.

Officer Will had been with the Houston Police Department since March 2009. He is survived by his wife, Alisha, and three children, ages eleven, seven, plus an infant son born August 24th.

Cream Social for slain Houston Police Department Officer Kevin Will. Donna Will, his mother, works for the building.

The downtown Houston ice cream social went through 75 quarts of Oscar's Ice Cream and had about 1,200 attendees. They raised just over \$3,800 for The 100 Club's Survivors Fund.

Representing The 100 Club at the First City Tower Ice Cream Social were 100 Club Director, Jodie Jiles; 100 Club Executive Director, Rick Hartley; and 100 Club Staff, John Cortinas.

## PRESIDENT'S CORNER: A Few Words From Clair Branch

My continued thanks to our 29,200 members who provide the support for the Club's programs. I would encourage each of you to spread the word about what we do and to help us increase the membership of The 100 Club. You are our strongest link to new members. If each of you only brought in one new member, we would quickly double the size of our organization and increase the ability to help those who protect and serve each of us on a daily basis.

**Please take a minute and help us grow. A membership application is included on the back page of this newsletter. Use it to get your new 100 Club member.**

If you need membership materials for larger groups call us at (713) 952-0100 or email our Executive Director Rick Hartley at: rick@the100club.org.

Sadly, I report to you that Brazoria County Sheriff's Deputy Charles Van Meter was killed in the line of duty on June 26, 2011, in an accident while riding in a patrol car after a pickup truck turned in from of the marked unit on State Highway 6 in Manvel. Deputy was single and your Board approved funding to assist with the Deputies funeral needs.

Our Board of Directors approves funds for the families of law enforcement officers and firefighters killed in the line of duty, which includes paying off the family debt and providing funds for children to further their

education after they complete high school. I am pleased to report that our average gift to the dependents of our Heroes killed in the line of duty is approximately \$300,000. Of course, all financial support is based on the particular needs of each family and the amounts vary depending on those needs.

As I reach the conclusion of my term as President of The 100 Club, I would like to thank all of our members for their continued support. I know that there are many decisions made by each of you regarding charitable giving and appreciate your giving in support of our work. I would also like to let you know that you're Board and staff continues to work hard to be good stewards of the resources you provide to our 58 year old Club.

Our second 100 Club commemorative calendar has been completed and is ready to order. Please refer to the cover story of this edition of our newsletter and place your order for a great pictorial and verbal essay about the men and women we support in the law enforcement and firefighting professions.

As the Holidays approach, I would ask you to think about giving a 100 Club membership as a gift. Many members have done this in previous years and your gift of a 100 Club membership helps us to grow.

The 100 Club awarded the Ballistic Armored Transport Truck (BATT-S) to the Waller County Sheriff's Office on July 7, 2011. The vehicle was designed for use during tactical situations and will be utilized by the Waller County Special Weapons and Tactics Team (SWAT). Sheriff R. Glenn Smith said that he would be contacting law enforcement agencies in the surrounding area to inform them that the BATT-S and trained personnel will be available to them at any time.
