Good Afternoon Mr. Skeen,

Last week we received 3 of the 4. When I emailed to enquire they responded below:

Thank you for your email. The manufacturer has backordered the item on our stock shipments. The new date for shipment from the manufacturer to our warehouse is 08/21/18. We are sorry for the extended delay on your item. Please let us know if you have any questions.

I was waiting for the entire shipment to notify that the order was complete, as of now I do have 3 of 4. I will let you know asap when I receive the last one.

Thank you so much!
Chris
